Antonio C. Bryant ("Appellant") appeals from the trial court's Order and Judgment favoring A & P Auto Sales, LLC ("Defendant"), following a bench trial.

DISMISSED.

Division One Holds: "Compliance with Rule 84.04 briefing requirements is mandatory in order to ensure that appellate courts do not become advocates by speculating on facts and on arguments that have not been made." Nelson v. Nelson, 195 S.W.3d 502, 514 (Mo. App. W.D. 2006). Appellant's failure to comply with Rule 84.04's requirements warrants dismissal of his appeal.
